NW2/NW3/ELITE TRIAL SKILL BUILDING

BECOMING THE BEST TEAM!

with Jacy Kelley, CNWI

Lansing, MI - May 20-21, 2017

Are you struggling with the seemingly unfindable raised hide? Need to improve your leash work as well as determine whether to go on or off leash? Need help developing search plans and goals? Want to learn more about alerts, when to call the “F” word (FINISH), how to read your dog better and what to do when you see a change of behavior? Want to learn how to handle the “unknown number of hides” searches in an Elite Trial? Want to learn how to build stamina in your dog and focused searching? Want to learn how to be a better team with your dog and more successful in training/competing? Learn the differences between NW2/3 and Elite trials and how to be successful at all levels.

This seminar is an excellent opportunity for all instructors and nose work handlers working NW2 hides and above, regardless of what nose work group/venue you belong to or train with be it NACSW, UKC, C-WAGS, etc.

This is a brand new K9 Nose Work® seminar developed by Jacy Kelley ad offered for the first time in Michigan! Be one of the first to take advantage of this unique opportunity!!

Jacy Kelley is a former United States Air Force and professional working dog handler with nearly 20 years of experience handling detection dogs, including being a contract detection dog handler for many Federal agencies. He became a Certified Nose Work

Instructor in 2010 and teaches K9 Nose Work® classes and workshops in the Northern Virginia area and throughout the United States. He is also an experienced NACSW Trial Certifying Official. Jacy Kelley offers the best of both worlds: years of professional detection experience plus complete familiarity with all aspects of K9 Nose Work® for pet and performance dogs. Jacy Kelley will use his impressive experience and knowledge to help you and your dog reach your full K9 Nose Work® potential.

The seminar will be held at: Comfort Inn, 525 N. Canal Road, Lansing, MI 48917 - May 20-21, 2017.

The weekend seminar will allow for 12 Working Spots / Non-Working Spots Limited to 35 per day.

This seminar will consist of lecture, video review and live nose work demonstration. Working teams will be used to demonstrate some of the concepts and common hide placement problems covered during the lectures and video review.

The seminar will begin at 8:00 am each morning and will end at approximately 5:30 pm each evening. There will be a short break for lunch. Please bring your own lunch. Morning snacks, water and coffee/tea will be provided. (There are plenty of eating establishments nearby – lunch may be ordered in for those who desire).

To ensure that all participants have a safe and successful workshop experience, NACSW parking lot etiquette rules as well as keeping an 8 foot distance between dogs will apply. Dogs must be crated during the seminar and will be allowed to be crated inside. You may safely crate/confined your dog in your vehicles if you choose but please make sure you have provided adequate cooling/shade materials. If your dog is an excessive barker, other arrangements may need to be made if wanting to cate inside.

_____ Working Spot - \$240.00 for the weekend

_____ Working Spot \$135 per day Saturday / Sunday (circle one)

_____ Non-Working Spot - \$125.00 for the weekend

_____ Non-Working Spot - \$65.00 per day Saturday / Sunday (circle one)

CEU's will be offered.
